RULES FOR UPLOADS

If you are uploading something to our website, please read these rules and make sure you follow them. We check everything before it goes on our website so if you do not follow these rules then your work or pictures will not be displayed.

DON'T SHARE PERSONAL DETAILS

Personal details are things that could identify you to other people - like your surname, address, phone number, email, school name or school uniform details. You are not allowed to share this information for your own safety.

ALL CREATIONS MUST BE SUITABLE FOR CHILDREN

Young Vets Club is for children of all ages and very young children may look at the website with their parents and carers. This means you cannot send in creations that contain anything that would be unsuitable for young children, like violence, swearing, rude words, or references to unsuitable films, games or TV shows.

NO PICTURES OF PEOPLE

Only upload pictures of your creations. Do not include yourself or anybody else in the photo or we won't be able to display them. If you would like to send us a picture of yourself for our website, magazine or social media then ask your parent or carer to email it to us and we will email them a photography permission form so that we can use it.

ONLY USE PHOTOS/VIDEOS YOU HAVE TAKEN

You must only send in photos and videos that you've made yourself. You can't send in things that you've found on the internet or which belong to your friends.

NOT UNSUITABLE FILMS, BANDS OR TV SHOWS

Your creations must not talk about certificate 15 or 18 films and games. You should also not talk about music stars and other celebrities who are unsuitable for children.

NO SPAM OR ADVERTISING

We do not allow creations that feature brand names or logos. That might include branding on your clothing so try not to wear clothing with prominent logos in videos and photographs that you send to us.

STICK TO THE TOPIC

Make sure your creation is relevant to the topic. For example, don't share a picture of your guitar if we've asked you to send a picture of your football top.

NO COPYING OTHER PEOPLE

Please don't copy and paste anything you haven't made yourself.
